Rebate Guidelines

- Rebates are available to utility customers with non-delinquent accounts.
- *The system **MUST** follow the City's odd/even and no noon to 5 pm watering requirement.*
- Documentation of Water-Sense qualification must be provided with application.
- Copies of an itemized invoice or receipts documenting the make and model of sensor are required. Failure to provide information may result in disqualification.
- The City reserves the right to inspect the irrigation system for proper installation.
- The City is not responsible for sensor performance or water savings. No warranty or guarantee is provided.
- The City has the right to discontinue or amend the rebate program at any time.
- Payment will be issued when the project is complete and valid receipts are presented
- Information regarding applications for grants or rebates from other organizations must be provided, the City rebate cannot cover costs paid by another source of funding. A minimum of 10% of the project cost must be paid by the Applicant. Detailed cost estimates for all work must be provided. In-kind labor may be considered on a case-by-case basis. Audits conducted by WaterSense qualified contractors that result in a recommendation for system upgrades may qualify for additional funding.
