

Project Overview

- The project is being constructed in multiple phases and will add turn lanes, a median, and trails, as well as improve connections to Highways 62 and 212.
- Construction on the northern phase of the project is complete, including improvements to West 62nd Street and City West Parkway.
- The construction of the southern phase of the project is just beginning and will continue to November 2015.
- Traffic will increase in the future due to a United Health Group development, just south of Highway 62 and east of Shady Oak Road, and other future development in the area.
- Project partners include the City of Eden Prairie, United Health Group, City of Minnetonka, MnDOT, Southwest LRT and Hennepin County.

Shady Oak Road

Construction Staging Phase II - South Segment

Stage 1

July 2014-
November
2014

Stage 2

April 2015-
July 2015

Stage 3

July 2015-
October 2015
