

Requesting a Community Garden Online

Part 1

Information about the Community Gardens is at www.edenprairie.org/communitygardens. Here you'll find pricing, sizes, plot layouts and locations in the City of the three Community Gardens.

Go to www.edenprairie.org/register to make your request and payment.

If you already have an account and password (same as the one for Community Center and other Parks and Recreation programs), you can **Login**.

*Or if your email is on file with the registration system, you can have your **password** reset if you have **forgotten**.

*Or you can **create an account**, if you have not created one since March 2015.

You can test your login, reset password or create an account at any time. Your garden request will go faster if you do this before the first day of registration.

Click **Community Gardens** tab. (You won't see this tab until the first day of registration.)

Choose your size and location.

Click on the + to add to your cart.

A screenshot of a questionnaire form titled 'Questions'. The form contains several questions and input fields. The first question is 'What was your plot number last summer?' with an empty text input field. The second question is 'Do you want the same plot or moving?' with a dropdown menu showing 'Same'. The third question is 'What is your preference in plot size and location?' with an empty text input field. Below these questions is a checkbox labeled 'I am an Eden Prairie Resident or work in Eden Prairie.' with a red asterisk next to it. At the bottom of the form are two buttons: 'Continue' and 'Cancel'. Red arrows point from the text on the right to the input fields for the first three questions.

Answer the questions.

Returning Gardeners: Include your location and plot number (example: SA 10)

New Gardeners: Type NEW

Do you want the exact same plot as you had last year? Choose SAME

Or are you moving to a different Community Garden location? Different size? Closer to water tank? Choose MOVE

For preference you can type in any information that is appropriate such as: closer to water tank; prefer plots 26-46; next to my friend,

John Doe; etc. We will try to accommodate special requests, but plots are still assigned in the order that the request and payment is received.

Pioneer Park Gardens will have additional questions about accepting a garden at a different location, if we cannot accommodate your request for Pioneer Park. **If you do not check a box** for a different location, and we cannot accommodate your request at Pioneer Park, you will automatically receive a refund and be put on a waitlist for Pioneer Park only.

You must live or work in Eden Prairie to qualify for an Eden Prairie Community Garden. Click the box.

Checkout and make payment with Visa, Mastercard or Discover.
