3. Traffic Control/Detours

- a. There were complications during the initial bridge deck pour Wednesday, Aug. 5 that delayed the completion of the bridge deck. - c. Shady Oak Road, west of Highway 212 will be switched onto the newly constructed roadway Saturday, Aug. 15.
- d. Temporary lane closures are anticipated on Highway 212 between 9 a.m. and 3 p.m. to facilitate bridge construction.
