**Bridge Deck and Bridge Railing**

### 3. Traffic Control/Detours

- a. On Wednesday, Oct. 21, southbound Shady Oak Road traffic will be switched onto the newly constructed southbound Shady Oak Road. Northbound Shady Oak Road will remain in its current location. Southbound Shady Oak Road will transition between City West Parkway and the west ramp intersection.
- b. On Saturday, Oct. 31, both directions of Shady Oak Road will be switched to the south side of the bridge. This is needed to complete the concrete railing, sidewalk and approach panels on the north side.
- c. Flying Cloud Drive will be closed 500 feet north and south of Shady Oak Road, with no access to Shady Oak Road, from 8 p.m. Friday, Oct. 30 through 5 a.m. Monday, Nov. 2. Detour routes and advanced warning will be posted prior to the closure.
- d. Temporary lane closures are anticipated on Highway 212 to facilitate bridge construction. Lane closures for westbound Highway 212 may occur between 6 a.m. and 3 p.m. Lane closures for eastbound Highway 212 may occur between 9 a.m. and 6 p.m.
