Pond and Infiltration Basin Grading

3. Traffic Control/Detours
 - a. The final lift of bituminous pavement is scheduled to be placed east of Highway 212 on Monday, June 13, expect major delays.
 - i. Initial paving of the Flying Cloud and East Ramp intersection will begin at 6 a.m. and is expected to last approximately one hour.
 - ii. Flying Cloud Drive paving will follow the initial intersection paving.
 - iii. Shady Oak Road paving will follow Flying Cloud Drive and is expected to last through the afternoon rush hour.
 - iv. Rain is currently in the forecast for Monday, if paving is cancelled due to rain it will be re-scheduled for the following day until it is completed.
 - b. Shady Oak Road has been reduced to one lane in each direction from Highway 212 to 1000 feet east of Flying Cloud Drive. This expected to be in place for approximately one to two weeks.
 - c. Temporary lane closures are anticipated on Highway 212 to complete bridge painting. Lane closures for westbound Highway 212 may occur between 6 a.m. and 3 p.m. Lane closures for eastbound Highway 212 may occur between 9 a.m. and 6 p.m.
