**City of Eden Prairie to Launch Updated COMMUNITY VIDEO PROGRAM**  
**Produced by Proud Partner, CGI Communications, Inc.**

CGI Communications, Inc. is proud to announce that an updated Community Video Program is coming soon to the City of Eden Prairie's website ([edenprairie.org](http://edenprairie.org)). The Community Video Program is an innovative way to market Eden Prairie to new families, residents and business owners.

CGI is producing a video highlighting everything that makes Eden Prairie a wonderful place to live, work and play. While the new video is being produced, members of the CGI staff are reaching out to business owners to encourage their own sponsorship through videos connected to the City's program. Eden Prairie's updated Community Video Program will be the go-to place for those looking to move to the community.

It is the goal of CGI Communications, Inc. to provide the City of Eden Prairie with the latest in digital marketing technology, in order to help Eden Prairie continue to grow and thrive.
