## **BUTCHER REAPPOINTED TO LEAGUE OF MINNESOTA CITIES INSURANCE TRUST BOARD OF TRUSTEES**

**EDEN PRAIRIE, Minn.** — Eden Prairie City Council member Sherry Butcher has been reappointed to a second, three-year term as a trustee of the board for the League of Minnesota Cities Insurance Trust (LMCIT).

Butcher has been an Eden Prairie City Council member since first being elected in November 1996 and is now the longest-serving member of the Council.

“I am pleased to be reappointed as a trustee,” said Butcher. “The League of Minnesota Cities Insurance Trust is an important part of what the League offers its members. Most cities in Minnesota belong to the Trust because it helps keep costs down and provides the best possible coverage.”

The LMCIT Board of Trustees responsibilities include overall management and policy direction, setting premium rates, deciding on dividends, establishing the budget for in-house operations, overseeing investments, approving coverage changes and more.

The League of Minnesota Cities is a membership organization representing more than 800 cities in Minnesota. It was formed more than 85 years ago to serve as a lobbying group and as a training and management resource for Minnesota cities. The League has expanded its services to include research, insurance, legal and personnel services.
