City of Eden Prairie
Residential Survey
FINAL NOVEMBER 2010

Hello, I'm _____ of Decision Resources, Ltd., a polling firm located in Minneapolis. We have been retained by the City of Eden Prairie to speak with a random sample of residents about issues facing the community. This survey is being conducted because your city representatives and staff are interested in your opinions and suggestions about current and future city needs. I want to assure you that all individual responses will be held strictly confidential; only summaries of the entire sample will be reported.

1. Approximately how many years have you lived in Eden Prairie?

Currently, street maintenance in the city is funded primarily through general property tax revenue. As the streets continue to age, the maintenance costs will be increasing. The City could continue funding street maintenance through increases in property taxes on all residents. Another option is for the city to have homeowners on the streets adjacent to the street maintenance being done pay a special assessment.
