Overall, I think the parks are well maintained. There have been instances at the flying cloud dog park where things have been broken and not fixed for a while, it was too muddy, or the grass was really long. I haven't noticed any issues at the other parks I frequent often (Pheasant Woods, Staring Lake).

We have amazing parks so that's always a great plus for Eden Prairie. Keep up the good work.

Walking and biking paths are always maintained very well.

My only thought is that it would be nice to more seasonal bathrooms at more parks.

Open 'natural areas' look like crap! Convert them back to mowed lawns. Waste of money!
