## How should the city of Eden Prairie prioritize funding for playing fields and playgrounds?

**A** High priority   **B** Medium priority   **C** Low or not a priority

- 
-  **Anonymous user's Opinion** Responded **B** Medium priority  
A community with great play grounds and ball barks is very important - I believe at this time the city of EP already has that so I would not make it a high priority at this time.
-  **Anonymous user's Opinion** Responded **C** High priority  
One of the benefits/reasons for living in EP is the extensive playing fields and playgrounds available. EP is a family friendly community, and should continue to prioritize keeping playgrounds and fields up to date and maintained.
-  **Anonymous user's Opinion** Responded **B** Medium priority  
Eden Prairie has wonderful parks including playgrounds that are a vital piece of the experience. I would say to keep up the good work but keep playgrounds at the medium level.
-  **Anonymous user's Opinion** Responded **C** High priority  
I would love to see more off-leash play areas for dogs. It'd really be nice if I could walk my dog to a place to let her off leash instead of getting into the car to drive to one of the designated play areas.
-  **Anonymous user's Opinion** Responded **B** Medium priority  
It's hard to answer this in a vacuum. It might be helpful to do this as a ranking of topics so we can prioritize in relation to other funding items.
