How would you rate Eden Prairie as a place to retire?

A Excellent **B** Good **C** Fair **D** Poor

Anonymous user's Opinion

Responded **D** Excellent

I know many of my neighbors love that they retired here. Activities at the Senior Center, easy access to medical clinics, and pathways/groceries/everyday activities.

Anonymous user's Opinion

Responded **C** Good

Anywhere in the United States cannot be considered an excellent place to retire because of the healthcare costs. An excellent place to retire would be Austria or Portugal. Aside from that Eden Prairie is a good place to retire.
