How should the city of Eden Prairie prioritize funding for parks?

- A** High priority **B** Medium priority **C** Low or not a priority

-
-  **Anonymous user's Opinion** Responded **B** Medium priority
It's hard to answer this without context - what are the other projects that this relates to?
 -  **Anonymous user's Opinion** Responded **C** High priority
Parks are one of the things that can help us keep Eden Prairie a higher ranked suburb. They allow us to keep some wildlife around, have a variety of places to enjoy at all ages, and keep us from being completely developed.
 -  **Anonymous user's Opinion** Responded **B** Medium priority
This question is problematic as it is unclear what the parks are being prioritized against in regards to city funding.
 -  **Anonymous user's Opinion** Responded **B** Medium priority
We spend an awful lot on parks. I'm all for parks but the budget for them is too high.
