

Are there any services provided by the City that you would recommend receive a high priority during the budget process in order to better serve the public?

Anonymous user's Opinion

Yes. I believe the EP Community Center, exercise & swim facilities, should be free or low cost to all residents. This would improve quality of life & health, and reduce things like insurance & medical needs of residents.

Anonymous user's Opinion

Continue and improve efforts and practices designed to save the use of traditional energy, i.e. natural gas and electricity.

Anonymous user's Opinion

Eden Prairie needs a proper, year round, off leash dog park.

Anonymous user's Opinion

Adding sidewalks on busy streets like Duck Lake Trail in between Dell and 101.

Anonymous user's Opinion

Affordable housing, environmental initiatives

Anonymous user's Opinion

Environmental initiatives

Anonymous user's Opinion

Bike trails and environmental initiatives

Anonymous user's Opinion

Keeping the city clean, police and fire

Anonymous user's Opinion

No, but the city does an excellent job maintaining and up grading the streets. Keep up the good work and thank you.

Anonymous user's Opinion

It would be great to fund some more police detectives/prevention staff. I would like us to end the trend of robberies and stabbing that is going on around The Preserve. When the police come out they seem like they are just call to call without any room for additional tasks.

Anonymous user's Opinion

Police and fire should always take precedence in the budget for the safety of our community which is top notch, and I hope it stays that way.

Anonymous user's Opinion

More police hired.

Anonymous user's Opinion

Climate change resilience

Anonymous user's Opinion

Continue work with lamp post, road, & sidewalk maintenance and improvement.

Anonymous user's Opinion

More police - crime Seems to be increasing

Anonymous user's Opinion

Need to add lighting on the trail on Anderson Lake Parkway between Cumberland and Flying Cloud headed towards the Purgatory Creek trail. There have been a number of issues with people getting harassed by that location.

Anonymous user's Opinion

Build the bridge over hwy 5/ EDEN prairie road. New neighborhoods using Eden prairie road and it's huge problem when the school starts on that intersection.

Anonymous user's Opinion

Police. I have a feeling they will be busy with LRT incidents and the fall out from free riders coming to town to see what they can get for free.

Anonymous user's Opinion

street repair and maintenance

I would like to see more funding go to the off leash dog parks (and possibly creating more year round dog park sites). And to echo another comment's point, I also think the EP Community Center should be made more affordable to residents. Cost has been a barrier for me to use this service.
-  **Anonymous user's Opinion**
Continue to invest in making EP more walkable/bike friendly.
-  **Anonymous user's Opinion**
Fire and emergency response should continue to be a priority.

Affordable housing. So many apartments now aim to luxury, but many residents don't care about shiny counter tops and similar, they just want to pay reasonable rent
-  **Anonymous user's Opinion**
I'll agree and echo that the EP Community Center (for its exercise & swim facilities, at least) should be free or low cost to all residents. Road maintenance is a real issue too.
-  **Anonymous user's Opinion**
There is not a SINGLE gas station or a convenience store in the entire South-West portion of Eden Prairie. BUILD ONE! Or a few...
-  **Anonymous user's Opinion**
Fix the wide, deep cracks on Flying Cloud Drive where I blew a tire last weekend - on my 2017 car!
-  **Anonymous user's Opinion**
Public works: Improve street/trail intersection safety by painting crosswalks across streets. The EPCC should be accessible to all regardless of ability to pay - can there be subsidized/sliding fee scale for membership, so that even our low-income families can access this excellent facility?

Roads
-  **Anonymous user's Opinion**
Road repair
-  **Anonymous user's Opinion**
I would like to see fewer services and cut our taxes
-  **Anonymous user's Opinion**
Roads and parks
-  **Anonymous user's Opinion**
Yes, the service in charge of the general fund budget increase (3.3% FY20, 3.0% FY21) more than the rate of inflation (less than 2%).
-  **Anonymous user's Opinion**
Fire, most of the responders are paid nearly minimum wage. I would think we should value them more than that.
