\*Half-Medium plots are ½ this size and ½ of this price.

**I agree** to be responsible for keeping assigned plot as clean and neat as possible; supply my own seeds, fertilizer and equipment; water my own plot without overuse of the water supply; take all paper and debris with me; use cultivation or mulches to control weeds, not weedicides. By Oct. 15, I will remove all garden refuse and stakes, so fall plowing can take place; and if I decide not to plant, I will call 952-949-8441 so another gardener may take my plot.

Due to the limited number of available gardens at the Pioneer Park location, you may not get your first choice of garden size; or you may not get a plot at the Pioneer Park location. Please indicate your preferences for alternative sizes or locations. **Please submit this form with your application.**

Please write in a **1** for your first choice of garden size/location; a **2** for your second choice; a **3** for your third choice, **and so on.** (Do NOT use ✓, only numbers 1-6.) Continue to indicate your choices until you have reached a point that you would not consider other sizes/locations.

If you have only one choice and you would not consider other size/locations; write in only a 1 in that size/location choice and do nothing further. If we cannot accommodate you, you will receive a refund. You will not be contacted prior to processing your refund.

*\* The Half-Medium size is a plot that is a medium sized plot shared by two gardeners. The front gardener usually needs to allow a walking path for the back gardener to reach their plot. Half-Medium sizes are only available if a medium plot is available to be split and two gardeners request this sizing.*

Make your payment for the amount of your 1<sup>st</sup> choice plot size. If a different size is what you end up with, we will refund the difference or have you pay online for the remaining amount due.

You will only be provided a garden plot based on your choices on this Preference Form. If a garden plot is not available based on your choices on this Preference Form, you will receive a refund. You will not be contacted prior to a refund or assigning you the 2<sup>nd</sup> - 6<sup>th</sup> choice plot.
