### *Prevention and Inspections*

#### *UL 72 Requirements*

**Policy #:** 2.2.04

**First Issued:** April 1, 2010

**Revision:** September, 2020

---

### ***Procedure:***

#### **Section 1 – Required Buildings**

- a) All buildings in the City of Eden Prairie, built on or after January 1, 1986, that are equipped with a fire alarm system must have a current UL 72 Certificate.

#### **Section 2 – Additional Requirements / Amendments**

- a) Systems installed before 1986 that are not UL 72 Certified can remain in such state until fire alarm system remodeling takes place.
- b) Replacement of any existing connected fire alarm device constitutes remodeling.

#### **Section 3 – Appeals**

- a) Appeals or request to amend this Statement of Policy should be made directly to the Department of Fire Prevention. At any time, a Fire Code Official, as appointed by the Fire Chief, hold the right to amend or approve variances to this policy.
- b) The Department of Fire Prevention can be contacted by calling 952-949-8556 or via email at [firecode@edenprairie.org](mailto:firecode@edenprairie.org).
