Subd. 1. Purpose. This Section is not intended to interfere with the legitimate business activities of peddlers, solicitors, and transient merchants as the same are defined herein, whether same be local or interstate. These provisions are intended only to, as nearly as possible, ferret out all illegitimate or confidence operators and to regulate and control all those who, in person, would use their unique presence on property within the City of Eden Prairie, or their unique proximity to its residents, for purposes of harassment, nuisance, theft, or other unlawful activities.

Subd. 2. Definitions. When used in this Section, the following terms have the following meanings:

- A. "Non-Commercial Door-to-Door Advocate" means any person who goes door-to-door for the primary purpose of disseminating religious, political, social, or other ideological beliefs. For purposes of this Section, the term non-commercial door-to-door advocate shall include door-to-door canvassing, pamphleteering intended for non-commercial purposes, and seeking donations for which no product or service is given in return.
- B. "Peddler" means any person, whether a resident of the City of Eden Prairie or not, who goes from house to house, from place to place, or from street to street, conveying or transporting goods, wares or merchandise or offering or exposing the same for sale, or making sales where payment is received immediately for future delivery to purchasers.
- C. "Permit Activities" means all activities requiring a permit pursuant to this Section.
- D. "Solicitor" means any person, whether a resident of the City of Eden Prairie or not, who goes from house to house, from place to place, or from street to street with the intention of taking orders or scheduling future visits for taking orders for services or goods for future delivery and payment.
- E. "Transient merchant" includes any person, firm or corporation, whether as owner, agent, consignee, or employee, whether a resident of the City of Eden Prairie or not, who engages in a temporary business of selling and delivering goods, wares and merchandise within the City, and who, in furtherance of such purpose, hires, leases, uses or occupies any building, structure, motor vehicle, trailer, tent, railroad boxcar, boat, public room in hotels, lodging houses, apartments, shops, or any street, alley or other place within the City, for the exhibition and sale of such goods, wares and merchandise, either privately or at public auction, provided however that such definition does not include any person, firm or corporation who sells such goods, wares, or merchandise from within the confines of a lawfully established and operating permanent retail sales operation.
- **Subd. 3. Permit Required.** It is unlawful for any peddler, solicitor, or transient merchant to engage in permit activities within the City of Eden Prairie without first obtaining a permit therefor in compliance with the provisions of this Section. Each peddler, solicitor, or transient merchant engaged in permit activities, whether independently or on behalf of another, must have a separate permit.

Subd. 4. Exceptions.

- A. The permit requirement in Subdivision 3 and the conditions, restrictions, and regulations in Subdivision 7.A of this Section do not apply to the following: (i) the acts of persons selling personal property at wholesale to dealers in such articles, nor the delivery of newspapers, nor to the acts of merchants or their employees in delivering goods in the regular course of business, nor to the sale of farm or garden products by the person producing the same at the location where such products are produced, which production shall be proven by the vendor, nor; (ii) persons employed at a bakery, dairy or grocery making an uninvited initiatory visit in an effort to establish regular route service for future delivery of perishables.
- B. The permit requirement in Subdivision 3 and the conditions, restrictions, and regulations in Subdivision 7.A of this Section do not apply to non-commercial door-to-door advocates. This exemption will not apply if the person's exercise of constitutional rights is merely incidental to what would properly be considered a commercial activity.

- C. The permit requirement in Subdivision 3 and the conditions, restrictions, and regulations in Subdivision 7.A of this Section do not apply to peddlers or solicitors who are 17 years of age or younger, who are engaged in permit activities on behalf of a public school or private school, philanthropic organization, or community organization, which private school, philanthropic organization or community organization or its parent organization is on file with the Minnesota Secretary of State as a Minnesota domestic or a foreign business organization or has filed an assumed name, where the proceeds of the sales are mainly devoted to the benefit of the children engaged in the permit activities.
- D. Nothing contained in this Section prohibits any sale required by statute or by order of any court, or prevents any person conducting a bona fide auction sale pursuant to law.

Subd. 5. Ineligibility. No permit may be issued to a person who:

- A. Has (i) a criminal charge, citation, or complaint that is pending or (ii) a conviction or adjudication of guilt within five years of the date of application for any violation of any federal or state statute or regulation, or of any local ordinance, which adversely reflects upon the person's ability to conduct the business for which the permit is being sought in a legal manner. Such violations shall include, but are not limited to, burglary, theft, larceny, swindling, fraud, unlawful business practices, and any form of actual or threatened physical harm against another person.

- D. Has a bad business reputation, evidence of which shall include the existence of an enforcement action against the person by the Office of the Minnesota Attorney General or another state's regulatory office or department (such as another state's attorney general's office), or other business or consumer rights office or agency, within the preceding twelve (12) months, or three (3) complaints filed with the city or another city, town, or other political subdivision against the person that resulted in a written reprimand or warning to the person within the preceding five (5) years.
